## Imanuels Kants — Vikipédia

New Haven: Yale University Press, 1983, 2004. A Commentary to Kant's 'Critique of Pure Reason.

## Imanuels Kants — Vikipédia

A loucura como questão semântica: uma interpretação kantiana.

## Imanuels Kants — Vikipédia

Kant's answer: the rationalists are right in saying that we can know about things in the world with certainty; and the empiricists are right in saying that such knowledge cannot be limited merely to truths by definition nor can it be provided by experience.

## Epistemology: Kant and Truth

Za njega to je po sebi, bez ikakvih ograničenja, koje ima jedinu svrhu ispunjenje dužnosti odnosno poštovanje zakona.
