The pictures usually are accompanied by a text that takes the form of a series of brief conversations between the human figures and Death. This actually poses the question of which one is worth becoming temporarily undead for. On that initial visit, literally thousands of tourists swarmed through the streets, stomped through the cemetery, clogged and littered the city streets, and crowded into public spaces to observe cultural performances put on by professional actors and dancers imported from outside the town.

Parish eBulletin

Fort Selden was a 19th-century adobe fort established to protect early settlers from Indian raids. This, too, constitutes an ofrenda, albeit a simple one. Together, let us support one another in continuing to make St.
