## Sydney Cove : the history and archaeology of an eighteenth

See Bass's own journal, ante, pp. The motor vessel Koolam was attacked by three Japanese dive bombers in the Timor Sea in February 1942, and limped ashore on the far north-west coast of Australia. Entries are in chronological order of loss; there is also a ship index.

## The Sailors' Walk

Hugh Thompson, chief mate, with Mr. The Stefano was wrecked off the north-west coast of Australia in 1875. Hardcover, oblong landscape format, dustjacket, 308 pages, index, bibliography, mono photographs.

## Sydney Cove

Each entry concludes with a comprehensive reference list for primary research, or simply more information. It is little wonder that the tourist brochure's deem the west coast of Victoria as 'The Shipwreck Coast'. Clearly, to Bligh, once a convict, nothing could persuade him that such a person was competent and able to make fair judgements.

## The Dirt On The Rocks: Fire Water, the Sydney Cove shipwreck

Mary Pardoe was sent to Norfolk Island as a single mother. The voyage by boat and land back to Sydney by some of the crew, the deaths and rescue of the others, the discovery of Bass Strait, the salvage of the rum and the eventual re-discovery and excavation of the wreck site make Cargo for the Colony the most significant maritime publication on a single shipwreck in Australia since Hugh Edwards' Islands of Angry Ghosts. Receive into your custody Messrs.

## The Convicts' Colony

She was carrying a large complement of passengers for Sydney and Brisbane, many of whom were journeying north to escape the Victorian winter.

**World's oldest surviving beer found in a shipwreck, aged 220 years**

**World's oldest surviving beer found in a shipwreck, aged 220 years**

But it has largely gone untold. ENCYCLOPEDIA OF AUSTRALIAN SHIPWRECKS And Other Maritime Incidents. Much has been written of these shipwrecks, possibly moreso than any other 'shipwreck coast' in Australia, and yet Don Love has provided further interest by including information on the ships as they lie today and the relics that they have given up to those scuba divers energetic enough to brave the unpredicatble seas.
