Sri Lanka's Port Development and the Role of the BRI

The Vatican has understood that the West is moving towards a post-Christian society and that the future of international relations, and of the Catholic Church itself, is elsewhere: in Latin America, in Africa, in Asia.

Beyond Silk : Languages Along the Silk Road

It's unique in that all the three faiths are revered in a single inscription. In Beijing's plans Colombo is set to become one of the most important hubs of the maritime silk road that crosses the Indian Ocean. However, in 2014, the Eye Donation Society exported 2,551 corneas, including 1,000 to China, 850 to Pakistan, 250 to Thailand, and 50 to Japan.

Sri Lanka to use China's Maritime Silk Road for infrastructure development

In Colombo is expected to be built a new district based on skyscrapers, business centers and entertainment, widely promoted all over the country with billboards, and designed to host about 85 thousand inhabitants. The Norochcholai power station, for example, has been criticised for being in breach of domestic environmental norms, and its construction and ongoing operation have resulted in considerable carbon emissions. The joint statement also spoke of China-Sri Lanka free trade agreement FTA negotiations, promotion of joint ventures and expand cooperation in the areas of economy, culture, science and technology, and people-to-people contacts.

Sri Lanka, the Maritime Silk Road, and Sino

Many Indian security analysts see the Maritime Silk Road as an effort to encircle the subcontinent.

Sri Lanka and the Silk Road of the Sea

Ananda Goonatilleke, President of SLCFA read the message of the Chinese Embassy. Colombo Port City is about a whole lot more than a deep-water harbor, golf course, and Formula One racetrack. Pope Francis is a conservative reformer who, without changing the Magisterium of the Catholic Church by a comma, is the target of an endless smear campaign set in motion by the Washington-based right-wing populist movement.

Reimagining the Silk Road

Defences have been strengthened on ships in the Indian Ocean. His account indicates regular movement of regular merchant vessels across the seas.
