Classes and Programs

Attention is given to the use of techniques for identifying and researching significant issues, extrapolating probable outcomes, and developing strategic responses. He has coedited seven books, the most recent of which is *The Bible in Political Debate: What Does it Really Say* Bloomsbury, 2016, which he edited with Frances Flannery James Madison University. Upon this foundation, intermediate database and intermediate and advanced spreadsheet skills are taught.

Dual Enrollment Courses

Mitchell is a literary historian of ancient Christianity.

NRSV Review and Update

O, na sua forma atual, é considerado pela maioria dos estudiosos como o resultado de um processo extensivo de edição, em que as promessas da salvação de Deus são reinterpretadas e afirmadas ao povo Judeu através da história de seu exílio e retorno à terra de Judá. The fall largely in between. Consideration will be given to such topics as human development, motivation, emotion, perception, learning, personality, intelligence, measurement, and applied areas.

Dating the Bible

This course emphasizes the application of these perspectives in each of the planning, organizing, leading and controlling functions.

Dual Enrollment Courses

Students are also given a foundation for the development of communication skills in other human communication contexts, including dyadic and small group communication. Students will reflect on the causes and structures of injustice and approaches to social change at interpersonal, communal, national and global levels.
