UN peacekeeping Haiti: Peacekeepers fathered hundreds of babies

Peacekeepers must understand that peacekeeping goes beyond military activities, he said. While the Self-Defence Forces, or 'SDF', would be used to protect Japan, it had been determined in December 2004 that the time was ripe for it to become more active in international peace, including in United Nations peacekeeping operations. In order to play a more proactive role in fostering international peace, Japan enacted the Act on Cooperation with United Nations Peacekeeping Operations and Other Operations the International Peace Cooperation Act in June 1992.

Japan and United Nations Peacekeeping: New Pressures, New Resources, by Hugo Dobson. London: Sheffield Centre for Japanese Studies/RoutledgeCurzon Series, Routledge, 2003, 208 pp., \$115.00 (hardcover ISBN 0

The capacity for evolution must be turned into a vehicle for creating a stronger, more professional and more effective United Nations peacekeeping, even in a period of huge operational demands.

Stressing that an ounce of prevention was worth a pound of intervention, he said the timely identification of causes of conflict and the emplacement of preventive measures would reduce the numbers and costs of peacekeeping.

Rwanda calls for review of UN peacekeeping processes

However, that would not be sufficient in itself, as it was also necessary to enhance planning capacities on a sustained basis. Moreover, peacekeeping was being operated out of taxpayers pockets, so having a very small head count was akin to planting a seed, watering it, but never attempting to cultivate the fruit.
