How to Raise a Bilingual Child: Seven Strategies for Success

Many people in the United States believe the best way to solve the language problem is for everyone in the world to learn English—and to some extent that is happening. California, one of the few states to monitor its LEP population, now has 567,000 limited-English-proficient students--up 143 percent since 1977. And some other students are strongly disagree about the question 9 and 10 from the part-a.

Opposition to Bilingual Education: Prejudice or the Defense of Realistic Interests? on JSTOR

It must be admitted that there is certainly no shortage of literature documenting negative attitudes towards bilinguals in

Filesize: 60.87 MB

English speaking countries. The sign language interpreters you may have seen on television or at public events are most often hearing children of Deaf parents, who grew up bilingual.

Bilingual Education: Introduction

Interestingly enough, the same study also found that even opponents of declaring English the official language did not seem to question the goal of a monolingual society. Half of the students in this rapidly growing group are English-language learners Calderón et. As an addendum, we should note Draft LEP p.

Bilingual Education: A Historical Perspective

Examining the historical roots of bilingual education illuminates the many forms it has taken, and helps to contextualize modern-day bilingual programs. The data presented in the pie charts are analyzed in the descriptive and contextual methods.

THE INFLUENCE OF LANGUAGE USE AND LANGUAGE ATTITUDE ON THE MAINTENANCE OF COMMUNITY LANGUAGES SPOKEN BY MIGRANT STUDENTS

As we have been working on our HundrED Spotlight on Bilingual Education in partnership with the Swedish Cultural Foundation, the importance of our mother language has become apparent.
