In India, women's self

Addressing the issues in package is believed to bring the maximum benefit in improving the social, health and development of adolescent girls and thus empowering them in multiple dimensions. Some evidence suggests that the economic empowerment of women opens up opportunities for them to participate in public decision-making processes.

Matthias Rieger:Self

An end-line study was conducted as a part of the project monitoring and evaluation strategies and framework to review its projects before, during and after the post-implementation phase.

Savings, solidarity and self

BASIX and many of the bigger micro-finance companies are working with insurance companies to innovate products suited to regions and types of livelihoods of their clients.

Self

Household gender dynamics often mean that girls are more food-insecure than their male counterparts.
