Prisoner without a Name, Cell without a Number by Jacobo Timerman

Even when they were tracked down, most of them were pardoned. Nothing is possible in such a universe, and that is precisely what the torturers know... From my cell, I'd hear the whispered voices of children trying to learn what was happening to their parents, and I'd witness the efforts of daughters to win over a guard, to arouse a feeling of tenderness in him, to incite the hope of some lovely future relationship between them in order to learn what was happening to her mother, to get an orange sent to her, to get permission for her to go to the bathroom.

It is so important for people to read about others experiences, especially when their experiences come from what we often take for granted.

Jacobo Timerman: Prisoner Without a Name, Cell Without a Number (TV Movie 1983)

It is remarkable message for us and our times. An outspoken champion of human rights and freedom of the press, he criticized all repressive governments and organizations, regardless of their political ideologies. He had been in Argentina when Timerman was imprisoned and tried to reach him.
