IV The fourth business development associated with the Anglo-American export trade consisted of greater sophistication in the Wnancing of trade.

Virginia Memory

Given the difficulty of enforcing the Stamp Act, with both entire newspapers unstamped and some established ones not paying sufficient duty, it is probably just as well that no further regulation was attempted. The effect of these moves was to induce caution into the provincial press, end parliamentary reporting in the Gentleman's Magazine and end the attribution of speeches to individual members in the London Magazine. In papers of Henrico MS.

A Guide to the Legislative Petitions of the General Assembly, 1776

It is remarkable how excellent some of these manumitted Negroes were, and in what high esteem such free Negroes were held in early times by the white people. Fort James, located on the upper side of Diascund Creek' mouth at Moysenac in what is now New Kent County, was built by Thomas Rolfe, the son of John Rolfe and Pocahontas, in exchange for the land upon which it stood.
