### EU Proposes Post Pandemic 'Digital Identity', as Vaccine Passport Go Live

The social transformations that hit Russia during the Putin decade have deeply impacted its identity narrative. The starkest difference appears in Germany, where favorable views of the EU are 34 percentage points higher among those who do not support the right-wing Alternative for Germany AfD party.

### Russia's National Identity and Foreign Policy toward the Asia

For example, 26% of older Russians give no response.

### European Union Identity eBook (2007) / 978

Both countries are beholden to their public opinion and intransigent nationalist lobbies.
