## 8 facts about religion and government in the United States

Colonial America, England, and the wider world The American colonies, though in many ways isolated from the countries of Europe, were nevertheless continually subject to diplomatic and military pressures from abroad. However, as demands for social work outstrip and give every indication of far outstripping social work resources, it is good to know that the practice of religion is a powerful ally. Similarly, young religious adults in Canada were found in a 1979 study to be less likely to use or sell Narcotics, to gamble, or to destroy property.

## American Mosaic Project (AMP)

There, at least, linguistic and sectarian differences have proved in recent centuries to be subordinate to the condition of being Swiss—and perhaps also European. Background Revolts against Spanish rule had been endemic for decades in Cuba and were closely watched by Americans.

## Religion in Early America

Another third regard religion as a very important, though not the single most dominant, factor in their lives. New York is home to Broadway, and Americans have a rich theatrical history.

## Essay about The Mosaic of American Culture, It's No...

The best studies available characterize American Muslims today as largely middle-class and an integral part of American society.
