When and How was the Pauline Canon Compiled? An Assessment of Theories

The simplest example would be the death of a spouse. In particular, whilst in the 1st century the idea of Christ's return being immediate was current see, as also described in the non-pastoral epistles, in the 2nd century it was seen as more distant, matching the choice of the pastorals to lay down instructions for a long time after the passing away of the apostles. And for Acts itself, even Goodspeed's own disciple Knox places it just before 150 C.

The Pauline Canon: Porter, Stanley E.: Amazon.sg: Books

Adolph Harnack Die Briefsammlung des Apostels Paulus, 1926 reasoned that Paul's letters were treasured by enthusiastic readers upon delivery.

Robert of the Pauline

The Pope has determined that the local bishops exercise this authority.

The Pauline Canon and Gnosticism

If ever we needed a canon, it is now, both in its broader and narrower sense. It is impossible to present it adequately here. Eventually when Jeffery Combs prepared a text for an audiotope version of the story, he decided to trim away the summaries, reasoning that, once the six episodes were read continuously, the summaries became counterproductive: first intended to reinforce continuity of reading, they now tended to interrupt it.

The Development of the Canon of the New Testament

Some of the important works on the New Testament canon include the following: B.

Library : Marriage, Divorce and The Pauline Privilege

Rather, in the Pauline Epistles we are overhearing intra-scholastic debates between different wings of Paulinism.

Robert of the Pauline

These may have been, à la Trobisch, two independent three-letter collections later appended to the original. In antiquity, the Greek, many of whom noticed the divergent Greek style of Hebrews, made no such comments about Ephesians. We have in the case of H.

Biblical literature

For Moule, it was Luke who both wrote the Pastorals serving as Paul's amanuensis with a very long leash and collected the genuine Paulines after he penned his gospel and Acts 20.4. He knows that Goodspeed and Knox, who also invoke the analogy of other early Christian seven-letter collections, try to squeeze in these three by combining the pairs of Corinthian and Thessalonian letters, but Schmithals says that to go on and make Philemon and Colossians count as one letter is to force a square peg into a round hole.
