Crossrail

The new station would connect HS2 services with Crossrail and National Rail services on the , as well as services running through the area. Further allegations of blacklisting against Crossrail were made in Parliament in September 2017.

Crossrail

The trains are accessible, including dedicated areas for , with audio and visual announcements, and speaker-phones connected to the driver in case of emergency.

Crossrail

With the Crossrail project nearing completion in 2018, local MPs, council leaders and local businesses began lobbying the government to fund the development of a business case for the extension to Ebbsfleet, with the Mayor of London, including the project into his Mayor's Transport Strategy. A subsequent report was highly critical of the insensitive way in which Crossrail had dealt with compulsory purchases and the lack of assistance given to the people and businesses affected. The Elizabeth line will be operated by as a of , in a similar manner to.

Crossrail

Initial proposals suggest , and will be served only by Heathrow T4-bound trains. This included the former site of the music venue. EIS , saying that one of their electricians was a trade union activist.

Crossrail

There are new stations at , , , and , with interchanges with London Underground and other National Rail services. Cross London Rail Links Limited.

Crossrail

The company has suggested that a direct Heathrow-Southend link could alleviate capacity problems at Heathrow. London City Airport has proposed the re-opening of , in order to create an interchange between the rail line and the airport. The concession will be similar to London Overground.
