## Our Issues

NOW affirms that reproductive rights are issues of life and death for women, not mere matters of choice. If you have a Microsoft 365 for home subscription, or you purchased a one-time download of Office 2016, click the Contact Us link at the bottom of this page.

## NAACP

And President Biden will take bold action to advance a comprehensive equity agenda to deliver criminal justice reform, end disparities in healthcare access and education, strengthen fair housing, and restore Federal respect for Tribal sovereignty, among other actions, so that everyone across America has the opportunity to fulfill their potential. And, President Biden will launch a national vaccination program to inoculate the U. Economy President Biden will take bold steps to address the inequities in our economy and provide relief to those who are struggling during the COVID-19 pandemic.

## Global Issues Overview

To its initial goals of safeguarding peace, protecting human rights, establishing the framework for international justice and promoting economic and social progress, in the seven decades since its creation the United Nations has added on new challenges, such as climate change, refugees and AIDS. As Catholics, we are part of a community with a rich heritage that helps us consider the challenges in public life and contribute to greater justice and peace for all people. He will build on the Affordable Care Act to meet the health care needs created by the pandemic, reduce health care costs, and make our health care system less complex to navigate.

## NAACP

. However, as a people, we face serious challenges that are clearly political and also profoundly moral in nature. We are called to be peacemakers in a nation at war.

## **Global Issues Overview**

Below this article, click Yes or No in the Was this information helpful? New HIV infections have fallen by 35% since 2000 by 58% among children and AIDS-related deaths have fallen by 42% since the peak in 2004. And, he will build our economy back better from the pandemic and create millions of jobs by strengthening small businesses and investing in the jobs of the future.

## **Our Issues**

The global environment for research and development, innovation, and technology-based economic development has changed dramatically over the past few decades. NOW condemns the racism that inflicts a double burden of race and sex discrimination on women of color.

## **Explore the Issues**

Prior to this, activists have said that more than 3,000 women died of botched, illegal abortions since 1983. For Mac users, in Office 2016 for Mac, click the smiley icon in the upper-right corner.
