Be consistent in your use of type styles e. Use an initial capital for the first word or any proper nouns only e.

In

In the reference list, use the name Anonymous as the author. Organization as an Author If the author is an organization or a government agency, mention the organization in the signal phrase or in the parenthetical citation the first time you cite the source, just as you would an individual person.

Interpretation guide: TAE Training Package Release 2.0

Wells and the Brontë sisters. Your printout should be double spaced without word breaks, allowing generous margins.

How to Develop Training Materials: 9 Steps (with Pictures)

Do not centre any material.
