You or your representative can complain in person by phone, by e-mail or in writing.

Consultancy to produce Best Practice Guidance Note

Farmers, ranchers, veterinarians, slaughterhouse workers, and other agricultural workers have a higher risk of contracting zoonoses because of their close contact with animals. If it is discovered that any condition has been breached there is the facility to recover all or part of the grant with interest.

4F.4 Tools and guidance notes

The operation will also have to be justified on agricultural grounds, be technically sound and represent value for money.
