Living within Our Means

Annual income twenty pounds, annual expenditure twenty pounds ought and six, result misery. Yet, as noted earlier, relative to their income, this affluent household spends substantially less than the average American. And yes, even those who have bigger salaries or overall income can fall into the lifestyle inflation trap too.

Money Basics: Living Within Your Means

The cheapest thing to do is to buy something with cash. This publication, and the individual articles in the publication, are for informational purposes only, do not provide a substitute for engaging professional financial advice or legal counsel, and do not constitute professional financial or legal advice.

How to Successfully Live Within Your Means

Credit cards can be convenient.

LIVING WITHIN YOUR MEANS

I believe that under no circumstance should a believer borrow. In the business world we are taught that borrowing is allowed provided it is for profit making

A Simple Guide to Living Within Your Means

Plus, you are bombarded by marketing ads and emails with coupons. That was, until another car came speeding around the corner and pulled up to the pump next to me. If you typically get a tax refund, you may be able to get more money in your paycheck.

Money Basics: Living Within Your Means

Aren't we called to be kind to the needy? There are many ways to manage medical bills, without going broke in the process.
