Preempting Dissent (by Greg Elmer & Andy Opel)

Rana sees the present moment as a return to the American norm, a fierce conflict between race-and-class domination and

Filesize: 61.23 MB

radical egalitarian democracy. Disagreement is a kind of garden variety, nothing might be at stake in that disagreement. A 2017 public opinion study by the Robert Wood Johnson Foundation found that majorities in just about every group, including 55 percent of whites, said members of their group face discrimination.

Infrastructure Critical

The scholars who have calculated that Bengal probably lost a tenth of its GDP in a decade due to those hartals and strikes. This same phenomenon, about the refusal of consent, shows up in place: the right to strike.

We Need an Insurgent Mass Movement

Think of all the laws through which dissent is criminalised — sedition, terrorism, public order provisions, regulation of public protest, the ban on strikes, in a sense, the regulation of speech that expresses contempt of court sometimes.

Impeachment of Trump Is an Effort to Silence Dissent

Patreon offers a user-friendly alternative, allowing readers to pledge a monthly contribution and set their own amount — from each according to their ability! At a time of elite fracture and rule by what amounts to a wealthy and white national minority, I see no alternative. Her research has been published in New Media and Society, Culture Machine, Communication and Critical-Cultural Studies, Television and New Media, and

Fibreculture. Immigration today offers us yet another moment for confronting this dilemma.

Exploring New Configurations of Network Politics

Given the decline of class-based institutions and consciousness, racial solidarity is often all that remains under neoliberalism as a way for some to articulate group experience.

PROJECTS

So we are back once more to repeating the colonial interpretation of Indian history, something that we had begun to question and discard in the last phase of colonial rule.

Preempting Dissent

We see the merit of these arguments. We often use dissent capaciously, in that sense. Take left efforts to mainstream both prison reform and critiques of the national security consensus.

Impeachment of Trump Is an Effort to Silence Dissent by Phill Kline

That it has no other language in which to understand the figure of a dissenter. A trained socio-cultural anthropologist, Todd Wolfson is currently an assistant professor of journalism and media studies at Rutgers University. Infrastructure Critical reveals more than the thin line between security and massive infringement on civil rights; it argues that progressive responses need to understand the logic of state governance in a global economic context.
