## Creating other worlds: Defending the ZAD of Notre

We will have to defend in this respect the existence of a solidarity based peasantry, protector of the hedgerow and subsistence agriculture, against the criteria and norms of an agriculture corrupted by productivism. Но семейството на милиардера Леонардо ще направят всичко за да му върнат спомените и разкрият истината.

The expressed this creativity in a multiplicity of ways, among which are the created by those who desired to care for themselves in ways from from those dictated by State and Capital.

## Zad ze berahmi by Ustad Zaland

A gathering is called for this weekend, in defense of the zad. Zads everywhere, to defend territories and other desires of the future, are to open. What then is creation, revolutionary creation? It is in this spirit that we also want to continue to meet the inhabitants of popular neighborhoods or other territories in struggle against destructive projects.

From now on, the threat persists, but no longer advances in the form of a uniform concrete block ready to crash on us. Forms of intensive agriculture are on the watch to recover these lands.

## **Chovek zad borda : razkazi i noveli / Slavcho Chernishev**

Hedges, pools, valleys, hedgerow, life, buildings ... nothing is protected at the present time, neither by a Local Plan of Urbanism, nor by other measures. The famous huts of the zad Notre-Dame-des-Landes are a strong symbol of the victorious struggle against the airport project.

### **Хората зад борда**

We must ensure that the resistant naturalist sensibility that has flourished here is not swept away by a return to conventional forms of agriculture, incompatible with the actual preservation of this tightly-knit network, its hedges, its newts and its diversity. In general, we must continue to mobilize to ensure that the preserved lands go to new facilities and not to the expansion of existing farms.
