2004 United States presidential election

Answer : The kind of mind whose default position is criminality.

Stanford Study Proves Election Fraud through Exit Poll Discrepancies

The election in Patterson, NJ where 20% of ballots were thrown out. But the outcome should be decided by voters, not a protracted legal process.

How to Steal an Election

The precision that a lot of these people are talking about just doesn't exist with our polls. The sheer volume of his complaints, however, may be doing his prospects little good: a American National Election Study survey conducted in 2012 shows that people are less likely to vote when their faith in the integrity of the system has been shaken, and much more likely to vote if they think the ballots are counted fairly. Obama, unlike Trump, might be smart enough to play 3+D chess, but Obama did nothing to keep it active.

Opinion

Throughout the 19 th Century, almost every candidate claimed that electoral fraud was committed. And, you know, Jennifer Brunner, we have to give her a lot of credit. John Conyers, then a Democratic Congressman from Michigan, outlines voter suppression tactics reminiscent of the Jim Crow era: flyers directing voters to the wrong polling places; voting machine shortages in college towns and heavily-minority neighborhoods; people forced to stand outside on Election Day for hours, in pelting rain.

Moreover, in a perfect world, it would provide a legal framework for nullifying presidential actions on things like immigration, energy policy, etc.

The history of 'rigged' US elections: from Bush v Gore to Trump v Clinton

The reason that the cheating is happening overwhelmingly among the Dems these days may have something to do with who supports the respective parties, say Larry Sabato and Glenn Simpson in their book *Dirty Little Secrets*. Nothing criminal in Biden lifting part of a speech.
