Al

His Miṣbāḥ is concerned with explaining technical terms used in al-Sharḥ al-Kabīr of the Shāfi'ī scholar Abū al-Qāsim al-Rāfi' al-Qazwīnī, which itself is a sharḥ exposition of al-Ghazzālī's al-Wajīz, a book concerned with Shāfi'ī jurisprudence. Al-Fayyūmī's Miṣbāḥ goes beyond being only a technical dictionary due to its wide scope, making it a general dictionary of the Arabic language with a focus on explaining technical words used in the science of fiqh Islamic jurisprudence.
