Deep Blue (chess computer)

This part of the book was such an expose on how powerless gay black men can be in our society.

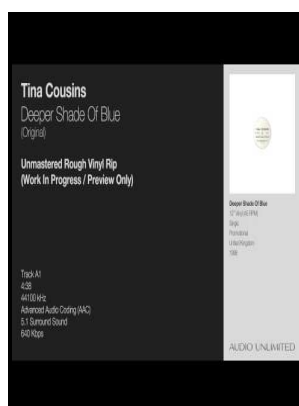

About Lee

A gifted young writer makes his literary debut in this haunting and powerful novel about a gay black man grappling with the death of his twin brother--and with the dream boyfriend who turns out to be the lover from hell.

But Blues, not to be taken lightly and certainly not to be fucked with, spends the rest of the story turning others on themselves and bending everything to his better, or evil, good. With the help of many wonderful friends, he tries to leave James behind and forge a new life. Jerry Brody, a long-time employee of IBM Research, was recruited to the team in 1990.

Passion Marks: A Novel

Juan falls in love with the hustling, muscle-bound Bryant and soon succumbs to Bryant's addictive world. With the truth slowly coming to the surface, Blue must find enough courage to face the music and hope they'll survive the fallout.

Brandon is quite d This book is a little different from others I've read because of the GLTB theme, but I really enjoyed the stories. It is a life of luxury, comfort and money, but never judge a book by its cover.

Deep Blue (chess computer)

It's homosexual sex, so, if you're easily offended by that sort of thing, stay away.

Collector's handbook of marks and monograms on pottery and porcelain

From the outside, Kevin Davis' world leaves nothing to be desired.
