The following table states the nine moods Navarasa and the corresponding Bhava. Overcome Bhayanaka with inner strength, love and truth. That is love; love is not just Rati the amorous attitude.

NAVA Design

The Natyashastra has carefully described the Bhavas used to create Rasa. Every Rasa corresponds to a particular Bhava. In my case it is surely going to be Raudra.

Navarasa

There is also this complementary effect on the dancer or actor. The 9 Rasas as described in ancient Indian aesthetic philosophy can be seen as being indicative of prime human emotions.

Navarasa

One thing you can do is explain to the dancers the meaning of the lyrics so that they know what they are dancing on.

Navarasa

Imagine a mother busy in the kitchen and her child spills a bottle of oil on the floor.

Navarasa

NAVA has long been an icon in the world of Italian and international design.

Nava Smart Engineering Solutions

Each Rasa is a repository of energy drawn from our Prana life force. But Rasa does not become Bhava. It is the most exciting session for the students to make funny faces.
