## Kastleman Funnel

A new pdf of anonymised credit-card receipts from a major online adult entertainment provider finds little variation in consumption between states. Some authors suggested that sexual addiction should be re-introduced into the DSM system; however, sexual addiction was rejected for inclusion in the DSM-5, which was published in 2013.

## Love You, Hate the Porn: April 2014

The Drug of the New Millennium: The Science of How Internet Pornography Radically Alters the Human Brain and Body by Mark B. The sexual stimulation of pornography floods directly into the male brain stem where higher reasoning is eliminated and automatic response or animal instinct takes over.

## Out of Darkness

To get a better handle on other associations between social attitudes and pornography consumption, Edelman melded his data with a previous study on public attitudes toward religion. Presentation by Rafael Ball from Central Library Research Centre, Germany CHENNAI : Imagine sitting in a roomy, well-lit reading room, browsing both print and e-journals while sipping coffee.

## Kastleman Funnel

There has been a tremendous amount of hyperbole about porn use, with many doomsayers claiming that it triggers dangerous neurochemical changes in the brain.

## Real Families Real Answers » Resources for Those Struggling with Pornography

Why We Watch Weston says she thinks there are three main reasons why people turn to pornography: to see their fantasies acted out, to avoid intimacy in a relationship, and simply to aid masturbation. The mindbody is a master of focus.
