Fair & White Skincare

This will not only soften hair immediately, but it will help to nurture your strands and make them healthier over time. Finish off by patting down your hair with a towel but avoid rubbing as this can aggravate the cuticle. If Candlemas Day be bright and clear, Be sure you will have two winters that year.

Grooming on Show Day

Our testers said the colour deposited well on their lips — and our expert said this is a buildable red. Its soft-feel formula can be built up to match the level of coverage needed and it's mattifying enough to tackle shine and blur pores, too. It's a true red shade and the vibrancy stayed put on each skin tone tested, making this a very versatile colour.
