Subject headings -- ----- The UNT Libraries became a Preservation Steward of U.

Federal depository library handbook [electronic resource]

Federal depository collections are available for use by everyone.

Federal Depository Library Program

. The CGP was originally the online counterpart of the Monthly Catalog of United States Government Publications, which had been printed since the passage of the Printing Act of 1895.

Federal Depository Library Program Publications

Many CRS reports are updated on a regular basis, and this site includes all versions of the reports that could be located. Public access to the Government documents is guaranteed by public law Title 44 U. Documents in print and electronic formats are available on a wide range of topics relevant to the general public and to professionals, researchers, and students in a variety of fields.

Federal depository library handbook [electronic resource]

Technical Details Mode of access: Internet at the FDLP web site. The catalog will grow to include records for publications dating back to the late 1800s, making the CGP the central point for locating new and historical Government publications. The mission of Federal depository libraries is to provide local, free access to information from the Federal government in an impartial environment.

Federal depository library handbook [electronic resource]

UNT as a Preservation Steward As a Preservation Steward, UNT is committed to retaining tangible depository resources and has taken on the additional responsibilities for preserving these materials, which may includes both preventive maintenance and conservation treatments.
