I enjoy giving back and being an active member of my community. I love speaking to organizations about these experiences because it helps me to connect with the audience and provide real-life examples that hit home. I am a proud graduate of Clarion State University with a BS in Business Management.

## Our Leadership Team at Dasher Inc.

I can relate to the challenges they face and provide solutions based on my time in the trenches. Most of my prior experience is in the insurance industry, where I developed expertise as well in business management, strategy development, process optimization, and performance measurement. Though Dasher communicates to a variety of people on complex issues, my focus is on communicating about Medicaid and related programs to insurers, providers, and subscribers.

## Our Leadership Team at Dasher Inc.

Each dastgāh is a certain modal variety subject to a course of development sayr that is determined by the pre-established order of sequences, and revolves around 365 central nuclear melodies known as gushehs each of these melodies being a gusheh, which come to know through experience and absorption. This vast operational exposure and documented success prepares me to lend a fresh and unique perspective.

## Dastgah

Please see for guidance about the ways you can receive support and provide feedback. In addition to providing overall leadership to the team, I work with businesses and community partners to create strategic alliances. Prior to joining Dasher, I was responsible for executive leadership of a business technology firm that provided hardware, software, and services for a wide variety of clients in the US and abroad.

### **Dastgah**

As a graduate of The Pennsylvania State University, I hold a BS in Accounting and have been a licensed Certified Public Accountant in Pennsylvania for more than 30 years.

### **Become a Dashlane Beta Tester**

As Dasher is known for delivering excellent client and staff experiences, I look forward to enhancing that reputation. In addition to over 10 years of human service and non-profit management experience, I serve on the board of Harristown Enterprises and the Harrisburg Redevelopment Authority. The desire to maximize operational strategies for efficiency and effectiveness along with a strong desire to lead, coach and mentor are strengths that I am eager to impart.
