Preparing for Parenthood • ZERO TO THREE

Health-care providers must acknowledge the pressure that is placed on today's fathers to perform efficiently in various roles. However, do keep some 'alone time' for yourself so that you can process your feelings.

How Do You Prepare Emotionally For Parenthood?

Taylor Bennett Taylor Bennett is the Content Development Manager at Thriveworks. Connect with other to-be or new parents: Social support is important. About the expert: Reviewed by Meghna Singhal, PhD on 6 March 2020.

How Do You Prepare Emotionally For Parenthood?

Recent journal articles have helped to increase awareness of health care providers in the specific issues. Too tired at night to get together? These might include being financially responsible, providing direct care for your child, changing some of your social involvement, and balancing parenting and work demands. Having a baby especially your first can feel like a huge leap into the unknown.

Preparation for Parenthood

Many institutions require psychological screening prior to acceptance into a donor insemination program.
