The White House Tour

I use it a lot. After a rough start, an Obamacare replacement passed the House. They were extremely knowledgeable, helpful and professional at all times.

Residence

Since at least as far back as Richard Nixon, Presidents have kept televisions in this room, usually small ones, no larger than a bread box, tucked away on a sideboard shelf. The politician only shares very small glimpses into his home life, but from what fans have seen, it is pretty luxurious so he'll feel right at home in the walls of the iconic presidential building for the next four years.

Joe Biden's private home exudes White House luxury

When the chicken arrives, he is the only one given an extra dish of sauce. So Melania designed a new rug for this space, which features the flowers of all 50 states whether she designed it herself or commissioned a designer to follow her lead is unclear.

A look inside the White House

As he settles down, they bring him a Diet Coke, while the rest of us are served water, with the Vice President sitting at one end of the table. Visitors come from around the world to the nation's capital to get a glimpse of the impressive structure.

Donald Trump: Inside the White House With the President

And large glass conservatories were constructed on either side of the mansion, providing flowers and plants of all sorts, as well as a pleasant place to talk or read a book.
