ASSIA: Applied Social Sciences Index and Abstracts

The Korean Section of the Library of Congress has prepared a bibliography of approximately 4,800 records of books about Korea in English up to 1995 held by the Library of Congress. Includes journal articles, television and radio broadcasts, newswires, and blogs; local, regional, national and international newspapers; legal sources for federal and state cases and statutes, including U. Specific Reading Strategies Effectively reading scholarly research is an acquired skill that involves attention to detail and an ability to comprehend complex ideas, data, and theoretical concepts in a way that applies logically to the research problem you are investigating.

Databases and Resources in Scholar OneSearch

Submissions exceeding 8,000 words are strongly discouraged and will not go to peer review without special approval from the editors. Aimed at scholars and educators in urban and regional planning, political science, policy analysis, urban geography, economics, and sociology, JPER presents the most vital contemporary trends and issues in planning theory, practice, and pedagogy. Current issues are not entered into the database for 2 to 5 years.

Articles and Databases

In order to provide advanced information services, the Library is making efforts to implement such projects as The Library at Your Fingertips, through which people can have access to the library whenever and wherever they want.

Sociological Abstracts

Some of these resources are available through KU's Articles and Databases website.
