History of Guyana, Independence and the Burnham Era

The tape sounds as though it was tampered with.

Possible Election Fraud in Guyana

They had probed him very deeply and he had every reason to believe that he had passed the test. Upon returning from the Congress of Black Writers conference in Montreal, Canada in October 1968, Dr. The insurrection as we know was planned, organised and carried out by ranchers of the Rupununi-the savannah aristocrats.

A Not

Call upon all Guyanese to resist by all means any attempt by Venezuela or any other State to take or gain control of any part of Guyana; 6. Those people all deserved to die.

He was co-author of the controversial Hughes-Ryan Amendment, which would have required advance CIA disclosure to the congressional committees of all planned covert operations. She said the Rupununi ranchers had on several occasions made representations to the Guyana Government because they were not satisfied with the conditions in the area. The country had been plunged into a political crisis since its March election and allegations of fraud.
