But each of these groups can be sub-divided and in the white case, the Scots have made one of the most distinctive contributions to the country's history. . A Batwa holds up his identity card, which notes his ethnic origin.

Culture of Rwanda

So were the Australian aborigines when the British discovered them in the eighteenth century. Collectively known as the , they founded what was to become the from the Old English Engaland by the early 10th century, in response to the invasion and minor settlement of beginning in the late 9th century. The description of South Africa as a 'rainbow nation' has always been taken to embrace the black, brown and white peoples who constitute its population.

The Scots in South Africa « Wits University Press

Historians have described the pre-colonial division between Hutu, Tutsi, and Twa as both a class and a caste division, though neither term is wholly accurate.
