In the years that followed, al-Ash'arī, now installed in Baghdad, began to group around himself his first disciples. He founded a theological school that later claimed as members such celebrated authors as al-Ghazālī and.

Abū al

Focusing his theological reflection on certain positions of the mystic and of two theologians, Ibn Kullāb and Qalanisī, al-Ash‘arī laid the bases for a new school of theology distinct from both the Mu‘tazilites and the Ḥanbalites. This work, the first volume of the current edition of the *Maqālāt*, is valuable for what it records of Mu‘tazilite doctrines.
