## Deciphering China in the Middle East

The Syrian rebels looked set for victory, having taken control of much of Aleppo and broken into the eastern suburbs of Damascus. It is, however, only part of the story. The contemporary state of affairs has alleviated strategic anxieties among regional actors and has intensified crisis between the US and Iran.

Bush left talks with King Fahd of Saudi Arabia, through an interpreter, November 21, 1990.

## Expiring Arms Embargo And The Rise Of Security Dilemma In West Asia

Iraq must also match this civil progress with a security structure that can create a strong and independent enough Iraq to secure the Gulf region and the broader structure of the Middle East. A strong and unified Iraq not only is the best practical defense against regional extremism, it becomes a critical buffer that limits Iran as a threat. Similarly, the US settled its long-held reserved political decisions on the Israel-Palestine conflict in favor of Israel.
