Where slasher films, soft porn, and teen coming-out dramas may not seem the logical place to look for the specter of a colonial power long departed, he makes a compelling case for the important intersection here of history, gender, and memory. Then discusses how to use the new nonlinear controller to Perform it. The statement includes a chronology of the Democracy Movement from September 12, 1989, to March 1991, and information on the current situation at universities in Beijing.

## Han Chinese

With the death of Mao Zedong in 1976 and the rise to power of Deng Xiaoping two years later, China's new leaders recognized the urgent need to jump-start their country's stagnant, centrally controlled economy and to restore the badly flagging confidence of the Chinese people in the wisdom, virtue, and beneficence of the Communist Party.
