The Last Taboo: Opening the Door on the Global Sanitation Crisis by Maggie Black

Morgan proposes designs from simple to complex and details methods to reduce insects and odors, which are common annoyances associated with composting. Published with UNICEF 'The authors truly deserve credit for bringing out into the open a subject we instinctively avoid.

The Last Taboo: Opening the Door on the Global Sanitation Crisis

In the byways of the developing world, much is quietly happening on the excretory frontier.

The Last Taboo: Opening the Door on the Global Sanitation Crisis

. Today, another sanitary Except in schoolboy jokes, the subject of human waste is rarely aired.

The Last Taboo on Apple Books

This book tells these stories like they have never been told before, drawing them together into the epic tale of how poor communities are battling to clean up their neighbourhoods, sometimes with help from dedicated professionals, often against all odds. The author just keeps repeating fact after fact, with no real transitions between the subjects, and really, everything that was said could have been said in a book a tenth the length. Except in schoolboy jokes, the subject of human waste is rarely aired.

The Last Taboo on Apple Books

But otherwise a great overview of sanitation issues globally.

The Last Taboo: Opening the Door on the Global Sanitation Crisis : Black, Maggie, Fawcett, Ben: Amazon.sg: Books

A century and a half ago, a long, hot summer reduced the Thames flowing past the UK Houses of Parliament to a Great Stink thereby inducing MPs to legislate sanitary reform.
