IÅilikti gyvai. Berlynas, 1940

All around her friends and family were being rounded up and deported to concentration camps and she was determined to avoid that fate. Ji nesėkmingai mėgina išsigelbėti fiktyviai ištekdama už kino, vėliau — per Bulgariją pabėgti į Palestiną. The different types of people who helped her made the whole story so much richer.

Mečislovas Gedvilas

There was very little emotion and an almost snobbish tone to it all, although there were some parts where I felt the snobbishness was justified.

Gody velikogo pereloma, 1940

Fake names, ID'S which were fairly easy to get if you had money, but just as easy to spot as fake by any Nazi personnel and hiding from all people you knew in your past were not easy pickings. I do not know if it is the translation was the problem, but the narration did not flow for me. Unfortunately, I couldn't connect to the protagonist - she had this aura of snobbishness and an I'm-better-than-you attitude.

Kastro tės Patras

We are fortunate that this testimony was eventually written. Tačiau naujoji Liaudies vyriausybė ilgai nedelsė ir pavedė formuluoti jau būsimosios žemės reformos nuostatus ir juos svarstyti tik įžengusi į valdžią.
