Although not made explicit, some methods would be considered primary methods or approaches to interpretation e. The New Testament's various atonement metaphors are part of a remarkably coherent picture of Jesus' death as that which brings about the new covenant and thus the new community promised by the prophets, which is also the covenant of peace.

The new edition explains recent developments in theological interpretation and explores missional and non-Western readings of the biblical text. What I found was something excellent: a very committed take on understanding scripture, that is still respectful of other ways of reading; not only is Gorman respectful, but he finds real value in newer and contemporary takes, without caving to the idea that that's the only way to read scripture. Written by and for people from a variety of faith traditions, this distinctive introduction represents the work of fifteen Protestant and Catholic scholars--all members of the same theological faculty, but representing a diversity of backgrounds and approaches.
