In the Mood: How to Create Romance, Passion and Sexual Excitement by Falling in Love All over Again by Doreen Virtue

He's running his hands down and around my bare thighs up and up again, up past my ribs, around my lower back and down again, just past my hip bone. No one should have to do anything that makes them uncomfortable, but it's also important that both people's needs are being met.

How to Have Slow Sex

I know that there are women over age 50 who desire sex.

103 Sexy Texts That Turn Him On And Seduce Him

Her parted lips strayed over his but when he slid his finger inside her, she plunged her tongue deeply into his mouth.

You also risk being dissatisfied when your sexuality changes as you age, or suffers due to the demands of two busy lives.

The Passion Quiz

But keep this in mind, the stronger and slower you build the passion and tension, the better the making out will feel! If you ever notice that she takes a while to get back to you, you really need to talk about something else to keep things interesting. Even if your sex life has improved, don't take it for granted. This works particularly well if you use words from something that means a lot to them.

Dr. Cheryl Fraser

Her breath was choppy; her flushed breasts rose and fell with each shallow pant. The most important rule to keep in mind when sending sexy texts is to do what feels comfortable and natural to you. And I realize he's working his way up my body.
