The Complete Medicinal Herbal: A Practical Guide to the Healing Properties of Herbs

Each entry details the plant's chemical constituents, its actions, and its therapeutic applications - from exotic ma huang, used in China to treat asthma for 5,000 years, to humble cabbage, which has been effective against stomach ulcers in clinical tests. Easy to use, the herbal is hugely popular with herbalists and laypeople worldwide. The Holistic Herbal covers everything you need to know about growing, gathering, preparing, using and taking herbal medicines to improve and maintain health. Clean, undamaged book with no damage to pages and minimal wear to the cover.
