### The Finno

During the early 20th century the numbers of whooper swans in the wild declined steeply, until by the 1950s fewer than twenty pairs bred in Finland. The total number of museums in Finland is 280, of which 139 are cultural history museums, 71 special museums, 55 art museums and 17 natural history museums.

### World Congress 2021

Finnish euro coins feature a pair of whooper swans in flight over some quintessentially Finnish lakeland scenery.

### Loans

The organiser of VIII World Congress of Finno-Ugric Peoples is Estonian NGO Fenno-Ugria. The museum contains the works of the great sculptor, as well as collections of the folk artist of Mordovia F. Louis to a colonial fort in the Bahamas, and a one-time bank headquartered in Amsterdam to a chocolate factory in Croatia, here are just eight of the many Hilton hotels that allow guests to indulge in culture and comfort.
