The History of English

Driven on by the Evangelical revival of the early 19th century, societies and voluntary associations sprang up all over Britain, and in many of them, middle-class women played leading roles.

Power, Economy, Political, Religion during the Renaissance

Filesize: 50.36 MB

The latter was a reaction to the former and emerged from it. The war resulted in the death of empires and the birth of nations, and in national boundaries being redrawn around the world.

Late Modernism

Often the artist himself was depicted as an isolated individual fighting against the world and defying convention: Beethoven rather than Haydn, for example. And a relatively new image of women as modest and delicate led to a growing tendency in society, or at least in polite society, to argue that men should become more civilized out of respect for the sensibilities of the female sex. China, an ancient nation comprising a fifth of the world population, was finally, creating a new state after the near-complete destruction of the old cultural order.

Difference Between Modernism and Postmodernism

It is within this larger context that we can discover the underpinnings of the philosophy of modernism and identify its aims and goals.

The French Revolution's Influence on Modern Western Society

English is widely used in government, civil service, courts, schools, media, road signs, stores and business correspondence in these countries, and, because more British emigrants settled there than in the more difficult climate of West Africa, a more educated and standard English-speaking population grew up there, and there was less need for the development of pidgin languages.

Social History 1920s to 1940s. Life between the Wars in England

He used planes of color and small brushstrokes to form complex fields and convey intense study of his subjects.

Out of the wasteland: the first World War and modernism

But the American use of words like fall for the British autumn, trash for rubbish, hog for pig, sick for ill, guess for think, and loan for lend are all examples of this kind of anachronistic British word usage.
