Please leave the borrowing pages preview to view and pay fees on your account. ECOWAS has the lowest prevalence rate only averaging 2 % in 2001-2009. This will only be visible to you.

DataBank

Observations that are not available are ignored, however zero values are included. For help and more information about supported platforms, please visit our {url}. Note 2: Aggregation results apply only to your custom-defined groups and do not reflect official World Bank aggregates based on regional and income classification of economies.

African Development Indicators 2001

This will be visible to the community.

South Africa

The highest share of total SADC exports over time is to the Asia Pacific Market, followed by the EU market.
