The Evolution of the Gold Standard in England on JSTOR

But, it doesn't seem like that big of a deal to me. The end of the gold standard was successfully effected by the Bank of England through appeals to patriotism urging citizens not to redeem paper money for gold specie. In 1925, Britain, in conjunction with Australia and South Africa, returned to the gold standard.

Britain's Return to Gold In 1925

However, gold convertibility did not resume.

England Adopts The Gold Standard

In March 1919, the large trade deficit and low level of gold reserves resulted in formal abandonment of the gold stand by. That is because it is truly what He wanted man to use to keep his financial affairs under proper control.

Gold standard

. However, this proposal has not been taken up, and the global monetary system continues to rely on the U.
