### About Us

For dessert which you can get yourself there was a lot of non-chinese food. We listen to our customers, especially those who give critical comments about our products and service.

### About Us

The marshmallows could be dipped in melted chocolate and there was even a variety of ice-cream available for you to serve yourself.

### Oriental touch, 21 St Marychurch Rd in Torquay

So please do not hesitate to let us know if there is something we need to improve.

### ARAM for Modern Technology

They are hand-crafted onto real stretcher frames. We will listen and change because we believe critiques can only make our business stronger facing our competitors. All frames are handmade in our own factory.

### ORIENTAL TOUCH, Torquay

Our Services Magically evocative notes immediately awaken your deepest senses, giving you the impression of living life in your own secret garden. And everything is guaranteed Made in Germany! Oriental Touch is a wonderful example of Chinese cuisine. Individually framed, the picture »Tanaka, Buddhist-Pagode, Unteraschenruinen, Kuqa« really comes into its own! Dishes of Chinese cuisine can be ordered at this restaurant.

### About Us

Oriental Touch is the exclusive commercial agent for AKEMI® in Qatar. The picture »Hong-Kong skyline, Zentrale, Wanchai« is printed with an UV printing process.
