General semantics

The sesame land of general semantics. More modest pronouncements gradually replaced Korzybski's claims that general semantics can change human nature and introduce an era of universal human agreement. It discovers direct neurological methods for the stimulation of the activities of the human cerebral cortex and the direct introduction of beneficial neurological 'inhibition'.

ART OF AWARENESS: A TEXTBOOK ON GENERAL SEMANTICS AND By Joseph Samuel Bois

Samuel Bois Publication Year: 1978 Weight: 1. Will be a good Reading copy. Payne notes that the effect of asking a question in different ways or in different contexts can be much larger than the effect of sampling bias, which is the error estimate usually given for a poll.
