### River Jordan in Early African American Spirituals

With tears in her eyes, she noted that the spirituals helped her to replace negative images of herself and her ancestors with positive ones and that she is now embracing the fullness of her heritage. The rhythm of such a spiritual is based on the swinging of head and body.

### negro spirituals and the development of blues ragtime and jazz music

Bonanza Books, New York, New York, USA, 1940. Using stories that portrayed an image of the God they were familiar with, slaves crafted new spirituals using traditional African musical forms, and exclaiming their desire to be free and to live in heaven with their God. One Spiritual could be sung as long as the singers wanted to sing that song.

### The Negro Spiritual

They sang of the Hebrew children and Joshua at the battle of Jericho. Yet, the biblical message embodied in these songs inspired a sense of hope and assurance that the enslaved Africans would one day be free.

### Go Down Moses

According to noted Negro musician Dr. This child can represent a slave who, in the trafficking process, has been separated from something dear to his or her heart such as a spouse, home country, parents, children, siblings, and so on and is yearning for it.

### The Revolution is a Song: Healing through Negro Spirituals at Glide's Women's Center

There are very few deviations from this rigid structure of the blues. Over the years, these slaves and their descendants adopted Christianity, the religion of their masters.

### Folk Music & Negro Spirituals

It traverses every shade of emotion without spilling over in any direction.

### **River Jordan in Early African American Spirituals**

A former library book from a small College with usual markings and additions; The binding is tight; the pages are clean.

### **Common Places » Slave Spirituals: History and Activism**

The protagonist managed to escape to Canada by using the Underground Railroad. Sowo sometimes brings out rattles and a washboard, broomstick and a wooden planter to mimic the improvised percussion the enslaved people used.
