It is a technique that in flamenco is executed using four fingers, while in classical guitar only three are used ring, heart and index.

What Is Flamenco Dance?

In the postwar period and the first years of the , the world of flamenco was viewed with suspicion, as the authorities were not clear that this genre contributed to the national conscience. There was less virtuoso technique in gitano flamenco, but the music and steps are fundamentally the same. In 1954 Hispavox published the first Antología del Cante Flamenco, a sound recording that was a great shock to its time, dominated by orchestrated cante and, consequently, mystified.
