Looking back at Hellraiser

While they don't move around in the same way as other Necromorphs, they absolutely terrify with their tentacle attacks and creepy groans.

RELATED: Terrifier is not for the faint of heart, and this grindhouse gorefest offers some seriously unsettling kills courtesy of the maniac mime himself.

Vera Farmiga is a standout here, all tortured emotions and dangerously protective love.

What Horror Movie Villains Look Like In Real Life

In 2017, Breck said that his silent character originally had a speaking line in the first movie but that producer Francis Ford Coppola decided to cut it. The Cult of Chucky must be real. Filmed on the actual set of the UK version of Big Brother, this meta zombie miniseries blurred the lines between reality and scripted TV and is a whole bundle of fun.

HBO's Hellraiser Series: Clive Barker Joins as an Executive Producer

Hypotheticals aside, the Xenomorph from the Alien franchise. Though, his vengeful ghost lives on and all you have to do is call his name five times in the mirror with the lights off before he appears behind you and guts you to death with his hook, which is now in place of his severed hand. And second, the sexual encounters between the men were so realistic and intense that the MPAA made Friedkin excise forty minutes from the film which, sadly, disappeared forever.

Most frightening and horrific films ever made

His fanbase is deadly loyal. Terror soon strikes when one child sneaks into a forbidden room and finds a seemingly innocent doll that appears to have a life of its own.

Six Sexy Horror Films That Get Your Heart and Libido Pumping

Tony Todd, a charismatic and deep-voiced actor, played the creepy character to perfection. Mears, who stands at 6 feet 5 inches tall, is considered by some fans to be the best actor to ever wear the mask. The Boogeyman wins in the silent, but deadly category with 82% of the vote.
